4. The statement of intelligence deficiencies points out needs for coordinating, translating, indexing, and distributing the material already available on Communist China. I have requested Mr. Reber, the Assistant Director for Intelligence Coordination to look into this question with the IAC agencies and similarly to submit a report to me and the IAC within six weeks. In connection with this Mr. Reber will keep in close touch with Mr. Amory and will seek the advice of the EIC Subcommittee on Requirements.
